Side Event: Regional Integration Possibilities

9 June 2022; 15:45 -17:00

Venue:

**King Hussein Bin Talal Convection Center
Dead Sea, Jordan**

The United Nations Economic and Social Commission for Western Asia (ESCWA) is organizing, along with the League of Arab States (LAS), the Regional Center for Renewable Energy and Energy Efficiency (RCREEE) and Observatoire Méditerranéen de l'Energie Mediterranean (OME), a side-event on “**Regional Integration Possibilities**” within the framework of the MENA Europe Future Energy Dialogue.

The main objectives are:

- Provide insight into progress, challenges and emerging opportunities of SDG7
- Accelerating the implementation of SDG7 and support of the Climate Actions.
- Sharing best practices and lessons learnt on existing synergies, collaborations, and initiatives
- Leveraging the extractive industries to position the Arab region as a regional and global leader in carbon neutrality
- Suggesting ideas for prioritising regional cooperation to support achievement of SDG7.
- Proposing priority actions to accelerate progress on SDG7 in medium- and long-term perspectives.
